

Dr. Patty Ann's Relationship Love & Intimacy Quiz:

As you answer these questions it might bring up some sensitive issues within your relationship. I want you to know there is hope and many couples find their way back from this point to a place of increased love and intimacy.

1. Is your relationship suffering from either a lack of love or intimacy?

Yes No

2. Do you or your partner confuse sex with intimacy?

Yes No

3. Does your relationship lack a healthy sex life or do either of you wonder if there is a "right" way to have sex?

Yes No

4. Does the intimacy you once had with your partner feel like a very distant memory?

Yes No

5. Are times when either one or both of you feel all alone in your relationship and are you depressed because you are not emotionally connected to your partner?

Yes No

If you answered yes to any of these questions, it's a clear sign your relationship is having some rough spots in the areas of love and intimacy. It's common for relationships to experience a lack of love and intimacy. And, you can smooth out those rough spots and create intimacy with Dr. Patty Ann's Relationship Toolbox™.

You can reignite the passion you once felt for each other. In fact, **Dr. Patty Ann's Relationship Toolbox™ will help you put a spark back in your relationship.** However, if you answered 'yes' to more than three of the questions, you might consider working directly with Dr. Patty Ann in one of her exclusive relationship programs.
